Re: Oakland H.S. modernization & health clinic.

It is not often enough where people take the time to praise their peers for illustrious work. On behalf of Johns Manville, we would like to recognize Foreman Ernesto Mendoza and crew, for their outstanding attention to aesthetics and workmanship on the Oakland H.S. Modernization and Health Clinic project. Your commitment to excellence is highly appreciated. Thank you for a job well done!

Best regards,

Sincerely,

Tom Vicario
Senior Technical Services Representative
